Commissioner of Patents and Trademarks

See attached paper

Serial No. 09/610061

-2-

Art Unit 2645

1. In view of the papers filed 10/10/2001, it has been found that this non-provisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by deletion of Charles Rutherford as a co-inventor from U.S. Patent Application No. 09/610061.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and the PTO PALM data to reflect the inventorship as corrected.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Opsasnick whose telephone number is (703)305-4089. The examiner can normally be reached on Monday to Friday from 8.30 AM to 6.00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Fan Tsang, can be reached on (703) 305-4895.

Communications via Internet e-mail regarding this

application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by the applicant and should be addressed to [fan.tsang@uspto.gov].

All Internet e-mail communications will be made of record in the application file. PTO employees do not engage in Internet communications where there exists a possibility that sensitive information could be identified or exchanged unless the record includes a properly signed express waiver of the confidentiality requirements of 35 U.S.C. 122. This is more clearly set forth in the Interim Internet Usage Policy published in the Official Gazette of the Patent and Trademark on February 25, 1997 at 1195 OG 89.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group Customer Service whose telephone number is (703) 306-0377.
